KAĞITHANE

YOUR STRONGEST LINK WITH THE CITIES

DESIGNED³ ENTIRELY FOR YOU

Genyap Link Kağıthane exists to meet your expectations with its smallest detail. Its matchless settlement plan prioritizes comfort, happiness and trust.

YOUR PLEASANT LINK WITH ISTANBUL

Genyap Link Kağıthane establishes a totally different connection with the city. By virtue of its smart design which transforms the spacious terrace into a different world, you can walk next to the ornamental pool, spend time with your loved ones and rest.

Right next to the metro, Genyap Link Kağıthane is only a few minutes away from your workplace.

While most of the people living in Istanbul spend their time in traffic, you will be able to spend yours enjoying these pleasant moments.

EVERYWHERE IS NEXT TO YOUR HOME

Thanks to its perfect location, Genyap Link Kağıthane brings you everything you are looking for.

It is not a coincidence that Kağıthane is gaining more and more value since it is one of the most popular investment locations in Istanbul.

Because of its location which provides easy access to everywhere the nearness of everything you need are just a few of the features that make this place unique one. Just a few meters away from the metro, Genyap Link Kağıthane is even closer to the furthest points of Istanbul than anywhere.

A UNIQUE LINK WITH THE PLACE

Genyap Link Kağıthane offers, in a common experience, its different designs existing in each apartment model using its settlement plans which are designed for a comfortable life.

Each layout sheet has been drawn with the best details to lead you to spaces where you can live safely and comfortably, you and your family.

COMFORT AND QUALITY DIRECTLY CONNECTED

As all the other Genyap projects, Genyap Link Kağıthane is built with high standards too.

Its living spaces are meticulously designed so that they suit all tastes and meet all expectations.

For Genyap, quality is a non-compromised phenomenon. That is why every square meter of Genyap Link Kağıthane is full of well-considered details.

HAPPY LINKS WITH CHILDHOOD

Genyap Link Kağıthane is equipped with great opportunities for happy children.

Thanks to its basketball and football mini fields, playground and walking areas, children will spend time with pleasure in the open space as well as in their comfortable rooms.

A UNIQUE LINK WITH TIME

Genyap Link Kağıthane, as it was 'in the past' and due to its areas where your children can spend time outdoors every hour of the day, offers to you a time-independent life in the heart of the city.

Fine details where you stop the fast flow which we live in to enjoy the calm moments remove Genyap Link Kağıthane from being a simple housing project.

SPORTS AND HEALTH DIRECTLY CONNECTED

With its gym, swimming pool, sauna and steam bath, Genyap Link Kağıthane is not only your home, but also your living space designed to keep you healthy.

Green areas that welcome you at almost every corner, playground, football, volleyball and basketball mini fields offer many alternatives for you and your children to spend pleasant times.

A PEACEFUL LINK WITH THE CITY

GENYAP Link Kağıthane has considered everything so that you can escape from the chaos of the city. You can spend time on the terrace which combines luxurious and natural details, whether for morning coffee or afternoon tea or to relieve the tiredness of the daytime work. Moreover, without leaving home.

HAPPINESS AND TRUST DIRECTLY CONNECTED

Genyap Link Kağıthane is built by Genyap, one of the most powerful companies in this region to which it is so devoted. Genyap which has built every project upon trust, knows that happiness is directly connected to trust in the Genyap Link Kağıthane project.

LINK BETWEEN CARE AND QUALITY

You experience quality in every detail of GENYAP Link Kağıthane. The project is located in the heart of the city to provide you comfort in every moment of your life thanks to its elaborate workmanship.

Genyap Link Kağıthane catalog has been prepared for information and promotion purposes for the social facilities, social possibilities and independent sections of the entire project, and as it does not give the buyer a right of request, it also does not constitute an undertaking on the part of the seller and its partners. Since the information and visuals added to the catalog, the location plan, the floor plan, the bird's-eye view and perspective views of the project and blocks are totally promotional and informative and don't constitute a promise, the contractor can make any changes deemed technically necessary without giving prior notice. For this reason, the floor plans and dimensions of the independent sections are calculated according to the relevant regulations, after that, their status at the time of delivery and the current status of the entire project at the end of the specified period are considered as basis. Flat plans, dimensions, colors and shapes specified in this catalog may vary following the floors and direction of the final project. The copyright of any kind of images pertaining to this project in this catalog belongs to the contractor of GENYAP Link Kağıthane, and it is forbidden to use them without permission.
